

January 2021

Dear Hollywood Area Business,

The Hollywood Boosters Business Association (HBBA) is one of the oldest Business Districts in Portland and is steeped in rich history and tradition. While continuing to embrace the past, we look for ways to improve and opportunities for growth for our businesses. **Please sign up now!!**

2020 was a tough year for local businesses and residents with COVID restrictions and several business shutdowns. We have missed our usual activities, but we have stayed connected and boosted businesses whenever we can through social media, e-newsletters and shopping local. Pick up the Hollywood Star to see our full-page ads promoting local businesses and programs from September – December 2020!

How do we keep the Hollywood district an energetic and vital part of Portland? How do we bring more resources and value to all local businesses and professionals? How can we grow our businesses but retain our district's charm? The answer is YOU!

Help us shape the future of the Hollywood District by becoming a member of the Hollywood Boosters. The Hollywood Boosters is a non-profit business alliance that supports the district and provides resources to the local businesses.

- Our **website** www.hollywoodpdx.com highlights our directory of businesses, showcases different business members each month, and features continuously updated photos and information about the business district.
- **Hollywood Clean and Safe Program** challenges businesses to keep the area and sidewalks around their business clean and welcoming; provides Hollywood Clean & Safe signs to put in business windows; and contracts with someone to clean up debris and report trouble areas.
- A formal partnership with the Portland Police Bureau supports targeted crime prevention and suppression efforts in the Hollywood District.
- Finally, we look forward to supporting events again when restrictions are limited including the **Rose Festival Junior Parade, Veteran's Day Parade, Christmas Caroling, Business Networking Socials** and monthly **Booster Luncheons** featuring guest speakers.

Although the current COVID pandemic has stopped or limited our regular events, we are still committed to working with fellow businesses to keep our area economically viable. We have a lot of exciting plans for 2021, but we need you to join! You can complete a paper membership form, attach a check to an invoice, or pay online. More questions? Call one of our Board Members: Paul Clark 503-281-8891, Maura White, 503-709-1103, Heidi Settlemier 503-307-1502, Mary Wohler 503-730-9492, Jan Tolman 503-201-7341, Ed Fredenburgh 503-686-5510, or Evonne Serpa 503-774-3668.

Get involved, find your voice, and become a Hollywood Booster member today.

Sincerely,

A handwritten signature in black ink that reads "Maura White".
